Re: United States v. Michael Weiss, Palmer Social Club
Criminal No. 10-043-1-2

Dear Judge DuBois:

Assistant U.S. Attorney Floyd Miller has notified me that there is a hearing scheduled tomorrow on the defendants' motion to suppress evidence. I write to advise the Court that the parties are working toward a resolution of the charges in the above-referenced case. I am respectfully requesting that the hearing be postponed so that the parties can complete our discussions. I have spoken with the attorney for the defendants, Thomas Bergstrom, and he joins me in this request. Mr. Bergstrom and I will make ourselves available to the Court to discuss this request.

Respectfully yours,

ZANE DAVID MEMEGER
United States Attorney
